

***Mark F. Kessenich, Jr.  
ALS Invitational***

***June 12, 2006  
Deepdale Golf Club***

*Dear Friend,*

*You are cordially invited by the Kessenich Family to The Deepdale Golf Club Monday, June 12<sup>th</sup>, 2006 to play golf in the Mark F. Kessenich Jr. ALS Invitational.*

*It has been five years since our dad lost his seven-year battle with ALS. We would like you to join us in celebrating his life and supporting the fight against ALS.*

*In 1997, he established the Kessenich Family MDA/ALS Center through The University of Miami. Kess' goal was to create a multi-disciplinary team of doctors and nurses to treat patients and assist families with the challenges associated with this devastating disease. Over the last nine years, nearly four million dollars has been raised, and the Center has treated and consulted over 700 patients. The Center sees approximately 100-150 new patients each year, along with 250 patients on an ongoing basis. Our goal is to raise a minimum of \$150,000 per year going forward beginning with this tournament. The focus of the organization remains providing patients with clinical services as well as direction in managing treatment.*

*In 2003, our family was dealt another blow with the death of Kess' sister, Joanne Knief. She too lost her battle to ALS. Over 30,000 Americans suffer from this dreadful disease. In only 5-10% of ALS patients is the disease familial. Therefore our family, now more than ever, is determined to have you continue to be a part of our fight to find a cure and assist patients with their care.*

*We hope you can attend what should be a memorable day.*

*Kindest Regards,*

*Barbara, Mark, and Paul*
